# DRINK PAIRINGS + TASTING NOTES

## BENTSPOKE BREWING CO.

**Barley Griffin** – mild cloudy Australian pale ale with soft fruity aromas and light biscuity malt giving a nice light mouth-feel.

**Brindabella Cider** – this dry apple cider is BentSpoke's in-house blend of Batlow-grown Granny Smith and Red Delicious apples, which are crushed on site.

**Crankshaft** – floral nose with notes of citrus and pine. Medium-bodied with a nice punch of hops and a solid malt finish.

**Cluster 10** – takes everything you love about XPAs and dials it up a notch – or ten! This brew is a complex symphony of flavours that remains supremely drinkable.

**Red Nut** – a Red India Pale Ale with a resinous hop and caramel malt character, it received a Silver Medal at the 2021 International Brewing Awards and a Bronze Medal at the World Beer Cup in 2018.

**Dick Tracy** – this American-style brown ale is a nod to BentSpoke's very first mash, and it's been a beloved tradition to brew it every Good Friday since. A time capsule that captures the spirit of innovation and nostalgia in every sip.

**Muthur Funker** – 12-month barrel-aged sour using BentSpoke's in-house mixed culture bacteria strain. This is aged in barrels and then carefully blended with fresh beer to balance the acidic tang. Full of interesting and challenging flavours and aromas like sweaty horse blanket, mouldy carpet and sweet bitter lemon.

**Sprocket** – big and hoppy India Pale Ale housing raw tropical fruit sniffs and tastes. If you love hops, give it a try! Sprocket received the trophy for Best Traditional India Pale Ale at the 2021 AIBAs.

## COLLECTOR WINES

**Effervescence** – sparkling white made exclusively for the National Museum of Australia.

**Tiger Tiger Chardonnay** – fresh on the nose with aromas of white flowers, grapefruit and flint, this complex wine of depth and concentration will reveal lemon curd, brioche and spent matchsticks with time. The palate is focused, mouth-filling and long.

**Ledger Grüner Veltliner** – dry style white that is clean on the nose with aromas of lime-leaf, white pepper, celery salt and a hint of honeysuckle. Fresh lime and nashi pear and more spicy white pepper energise the mid-palate. The finish is clean, refreshing and persistent.

**Night Watch Grenache** – fresh raspberry, red licorice and spice aroma notes yield to a bright and succulent palate laced with cranberry, dark cherry and sugar plum. This medium-bodied wine has pleasing fine-grained tannins and finishes with juicy, mouth-watering acidity.

**Golden Mean Late Harvest Riesling** – aromas of heady white flowers, grapefruit and candied citrus precede a moderately sweet palate cut by lime.

**Shoreline Sangiovese Rosé** – fresh on the nose with aromas of mandarin, cherry, rosewater and spice. The palate is crisp, with moreish mid-palate texture and mouth-watering acidity.

## UNDERGROUND SPIRITS

**Botanical gin** martini cocktail

**Peresh Juniper Gin** – named after 'Peresh' the Egyptian word for juniper, this gin echoes the botanical's use in the perfumes and sacred oils treasured in ancient tombs. It has a juniper focused, piney flavour and a delicate and subtly sweet essence of floral and violet-like aromas.
